

I live in a rural area and this will severely impact me.
I cannot get DSL from the phone company now because we are too sparsely populated in this area. THEY IGNORE US NOW, NOT ENOUGH PROFIT I GUESS!!

Do not let the Bell "Wolves" own the chicken coop you already allow them to dominate. Competition requires competitors to be alive. If the FCC lifts the dominant classification from the Local Exchange Carriers (Bells), it will limit competition to a duopoly consisting of a bell and a cable company. Competition in the American Telecom marketplace will not be incentivized, it will be torpedoed. ISPs and CLECs will die, consumers will be deprived of choice and the FCC will be wholly to blame for the travesty.

PLEASE DO NOT DO IT.

Chairman Powell: Please do not sell out to BIG BUSINESS, at the expense of competition and the small businesses of our country.
THANKS IN ADVANCE!!
